“A customer is the most important visitor  
on our premises. He is not dependent on us.  
We are dependent on him. He is not an interruption  
of our work. He is the purpose of it.  
He is not an outsider of our business. He is part of it.  
We are not doing him a favour by serving him.  
He is doing us a favour by giving us  
the opportunity to do so.”
